PROFESSIONAL SUMMARY

Professional Full Stack Developer with 6 years of solid, relevant experience. I specialize in Applied AI, Web Apps, APIs, and Automated data scraping. Proven track record delivering high-impact projects in healthcare, e-commerce, and social intelligence platforms.

RELEVANT EXPERIENCE

WR Advisory Group (via Katana Techworks Inc.)

Jan 2025 to Present

Lead Developer (Independent Contractor)

- Developed an Automated SOCMINT system and AI sentiment analysis application achieving over 75% accuracy in pre-election polling.
- Led technical development on data analysis tools, reducing time spent on a key report generation process from few hours to minutes.

Katana Techworks Inc.

Sep 2023 to Jan 2025

Lead Developer

- Engineered a pharmacogenetic-guided clinical application used by U.S. healthcare providers, enabling safer cannabis medication management.

Software Developer

Jun 2022 to Sept 2023

- Worked remotely with MuseSquare (France) to transform an art gallery blog into a collaborative e-commerce marketplace, integrating booking and payment features to generate new revenue streams.
- Created custom WordPress plugins using a modular architecture.

Empire East Land Holdings Inc.

Nov 2021 to Jun 2022

System Developer II

- Led the development of an RFI/Submittal form management system, eliminating manual paperwork and cutting processing times from days to hours.
- Built a semantic search indexer for the operations directory, improving contractor access to relevant personnel through context-aware.

System Developer I

Feb 2020 to Nov 2021

- Developed services that streamlined paper-based procedures across departments, significantly reducing human errors and improving workflow efficiency.

Synthesis Workforce Management

Intern/Web Developer

May 2019 to Dec 2019

- Maintained and updated official website using newer technologies and libraries, resulted to faster user experience.
